Subject: Vote-buying activities of NOGRALES and Proof admin has party-list fronts

I would like to report the vote-buying activities of House Majority Leader **Cong. Boy Nograles** and **KALAHI Partylist** (where his son, Carlo Nograles is a nominee).

Cong. Nograles, through a Barangay Kapitan, sent out invitations to Subdivision homeowner association officers in District 1 of Davao City to a **FREE lunch** meeting at Greenhills restaurant in Davao City where he and Kalahi partylist distributed campaign materials, **FREE Insurance cards (100,000)**, and **FREE Cinema Tickets (Gaisano Cinema)** bearing the name of Cong. Nograles and the Kalahi Partylist.

This is a brazen act of vote-buying which should not be tolerated. Please see attached photos.

The signature of Gloria and JDV on the KALAHI insurance cards used for vote-buying only proves that MALACANAN is behind some of these so-called party-lists.

Knowing how **dirty** and **deadly** Philippine politics can get, I have decided to keep my identity anonymous.

Sincerely yours,

**Davao City 1st District Voter and Resident**
